

TC-200

The TC200 High Resolution Counting Scale is a very user friendly design. With simplicity and ease of use in mind, operators will have a short learning curve and minimum of frustration. Scale data is communicated from triple Vacuum Fluorescent Displays to allow simultaneous viewing of Gross weight, APW, and Piece Count. The TC-200 is a mid size scale in stature but is BIG on performance. By utilizing 600,000 internal counts, a wide range of parts can be counted quickly and accurately.

TC-200

HIGH PERFORMANCE COUNTING SCALE

STANDARD FEATURES & BENEFITS

*** HIGHLY VISIBLE GREEN VFD DISPLAY:**

Scale display can easily be viewed from up to 20" away. The three displays simultaneously show Gross Weight, APW, and Piece Count.

*** HIGHLY DURABLE:**

Easily withstands the rigors of industrial applications, utilizing an ABS case, an all steel frame, and a stainless steel platter.

*** 22 KEY TACTILE KEYPAD:**

The 22 key membrane panel allows entry of numeric data, such as known tare values, APW's, and specific sample sizes

*** RS-232 PORT:**

Provides transmission of an APW to the TC-2001, TC-2005 or TC-2010. Also provides transmission to a printer, computer, remote display or other compatible devices.

*** 1:600,000 INTERNAL RESOLUTION:**

High internal resolution provides greater sensitivity, for increased counting accuracy and weighments.

*** ACCUMULATOR FUNCTION:**

Can accumulate either pieces or weight, and print total.

Specification

Display: 16 Character, 7-Segment Green Vacuum Fluorescent (VFD)

APW Transfer: The APW can be transferred to the TC-2001, TC-2005, or TC-2010 utilizing the RS-232 port.

Counting Capacity: 999,999

Weighing Resolution: 1 part in 500 to 1:50,000 max.

Keyboard Set-up and Calibration: Calibration and set-up parameters all keyboard accessible, for speedy installation.

Units of Measure: lb / kg

Operating Temperature: 32° F to 104° F (0° C to 40° C)

Power Requirements: AC Adapter, 12 VDC, 800mA, included

Housing: Grey ABS

Base and Sub Platform: Metal

Platform: Stainless Steel

Feet: Non-Skid Hard Rubber

Shipping Weight: 16.0 lb (7.2 kg)

Warranty: 1 Year Limited Warranty

TC-200 Back Panel

CAPACITIES & SIZES

TC-200-6	6 lb x 0.0005	TC-200-3M	3000 g x 0.2 g
TC-200-12	12 lb x 0.001	TC-200-6M	6000 g x 0.5 g
TC-200-30	30 lb x 0.002	TC-200-15M	15 kg x 0.001 kg (1 g)
TC-200-60	60 lb x 0.005	TC-200-30M	30 kg x 0.002 kg (2 g)
